- Select here to use category selection
- Select here to use individual post or page IDs

Category Name:

Post or Page IDs (comma separated no spaces):

Number of Items to Display:

**Gallery Style** - Choose your gallery size and colors:

Gallery Width in Pixels: <input type="text"/>	Gallery Border Color (#hex or color name): <input type="text"/>
Gallery Height in Pixels: <input type="text"/>	Gallery Background Color (#hex or color name): <input type="text"/>

Enter the gallery width which is 606 .

The screenshot shows the WordPress admin interface for 'Dallas Lawn Care Service'. The page title is 'Featured Content Gallery Configuration'. The left sidebar contains navigation menus for Dashboard, Posts, Media, Links, Pages, Comments, Appearance, Plugins, Users, Tools, and Settings. The main content area includes instructions on how to use the gallery options and provides fields for 'Featured Content Gallery Code', 'Featured Content Selection', and 'Gallery Style'. The 'Gallery Style' section has four input fields: 'Gallery Width in Pixels' (containing 606), 'Gallery Height in Pixels', 'Gallery Border Color', and 'Gallery Background Color'. A large grey arrow points to the 'Gallery Width in Pixels' field with the text 'Enter gallery width'.

Enter the gallery height which is 220.

The screenshot shows a web browser window with the URL `http://www.lawncareservicelandscapingdallastexas.com/wp-admin/options-general.php?page=featured-content-gallery/`. The page title is "Featured Content Gallery Configuration".

On the left is a sidebar menu with items: Dashboard, Posts, Media, Links, Pages, Comments, Appearance, Plugins (2), Users, Tools, and Settings (expanded). Under Settings, the following options are visible: General, Writing, Reading, Discussion, Media, Privacy, and Permalinks.

The main content area contains the following sections:

- Featured Content Gallery Code**: "If not already included, add this code to your template file where you want the Fea" (truncated). Below is a code block: `<?php include (ABSPATH . '/wp-content/plugins/featured-content-gallery/gallery.php'); ?>`
- Featured Content Selection**: "Select either a blog category or individual post/page IDs for your featured content:"
  - Select here to use category selection
  - Select here to use individual post or page IDsCategory Name:   
Post or Page IDs (comma separated no spaces):   
Number of Items to Display:   
 Check here to randomize post/page ID display
- Gallery Style**: "Choose your gallery size and colors:"
  - Gallery Width in Pixels:
  - Gallery Height in Pixels:
  - Text Overlay Height in Pixels:
  - Gallery Border Color (#hex or color name):
  - Gallery Background Color (#hex or color name):
  - Gallery Text Color (#hex or color name):

A large grey arrow points from the text "Enter gallery height" to the "Gallery Height in Pixels" input field.

Enter the text overlay height which is 80.

Featured Content Gallery Options...

**Slide Transition Type** - Choose your slide transition effect:

- Simple Fade
- Slide Left with Fade
- Continuous Horizontal
- Continuous Vertical

**Required Custom Fields**

For each post or page you want to display in your gallery, regardless of your selections above, you **must** include a custom field with the key **articleimg** and the full url of your image in the value. You **must** have at least two (2) items featured for the gallery.

**Advanced Custom Fields**

- Check here if you want to use custom text under the post/page title.  
Key: **featuredtext** - Insert custom text in the value. HTML is allowed.
- Check here if you want to use a custom thumbnail image in your gallery.  
Key: **thumbnailimg** - Insert the url of the image in the value.

You can also add alt text to your gallery images with a custom field.  
Key: **alttext** - Insert the alt text in the value.
